

Kelly's Story

Kelly is 3 years old and lives in the UK with her mother. One day, while they were having dinner, Kelly accidentally tipped her cup over and spilled her drink on the floor. Her mother was angry and slapped Kelly on the hand. Kelly was hurt and sad and started crying.

Which of Kelly's rights are not being respected?

What could these people do to change this...
Kelly's mother?

The government?

Anyone else?

About us

These materials have been developed by the Children are Unbeatable! Alliance and the Churches' Network for Non-violence (CNNV), in conjunction with the CNNV 2009-10 roadshow: **Growing up without violence – Ending legalised violence against children**. The roadshow aims to reflect landmark events in children's rights in 2009 and to further the movement to end all forms of violence against children including corporal punishment.
